he map below shows the Overmountain Victory National Historic Trail and some modern towns through which it now runs. This trail is the route that the Overmountain Men of 1780 took on their way to the Battle of Kings Mountain on October 7, 1780.

Can you label the four states shown?

Can you find the six named North Carolina towns on another map such as the official NC transportation map?

Vhère are we anyway?

> **To do:** Use the map on page 2 to sketch a map day-by-day of the path taken by the Overmountain Men of 1780 to the Battle of Kings Mountain. Label each day's campsite.

> Create a history of events (a **chronology**). (See **Timeline** activity.) Imagine what you would be doing if you lived in these places at this time. (See **Journaling** activity.)
